## 2023/2024 REQUIRED TEXTBOOKS & COURSE MATERIALS

### Notes on Purchasing Your Student's Course Materials

- Please purchase the specific editions as indicated. When purchasing books, used or new, be sure to match the ISBN provided.
- Families may ship orders directly to SBS, please address all shipping info to the attention of the student.
- When purchasing used textbooks be aware of longer ship times.
- Any required books for the Winter & Spring terms will be ordered by the Store Manager and charged to your student's account.
- Some e-book access codes must be distributed to students directly from a school, these are noted and they will be charged to your student's account.
- Attention **International Families** – some textbooks are not available for purchase outside the US; we are here to help you acquire all course materials. If you need us to place any orders for your student, please don't hesitate to reach out to the store manager.
- Families may wish to wait to purchase other supplies like notebooks, binders, graph paper, etc. until teachers let students know what is required for each class. Our school store stocks standard supplies. Students will receive a complimentary SBS student planner at registration.

**If you have questions or need assistance please contact
